

VCMT ALUMNI MENTORSHIP PROGRAM

WHAT IS SUCCESS?

“The accomplishment of an aim or purpose”

While success is a very subjective phenomenon, we are all driven by it. As a mentor, our aim is to establish clear, achievable goals and objectives that best fit our mentees in order to lead them to fulfilling their version of success.

WHAT IS A MENTOR?

A VCMT Mentor is an Alumni who has gone through the program and on to build a successful career as an RMT. They are an individual who is passionate about giving back, sharing their knowledge and experience to help guide current VCMT students to achieve success.

HOW DO STUDENTS APPLY?

Students will fill out an application with specific easy to answer questions. The application will be reviewed by a mentor that is best suited to their needs and will contact them within a week to set up an initial appointment.

WHAT RESPONSIBILITIES DO MENTORS HAVE?

- Committed to meet/communicate on a regular basis
- Be accountable for initiating and maintaining the relationship
- Have an open, reliable avenue of communication
- Provide academic and career guidance (not tutoring)
- Ask questions, listen closely
- Share personal experiences
- Provide notes from each mentoring session

HOW DOES ONE BECOME A MENTOR?

All alumnus are eligible to become a mentor. In order to connect a mentor with a mentee, alumnus must fill out a questionnaire in order to gain some background information and gauge their commitment level.
